## An Important Related Publication

The "Give Water a Hand" Youth Action Guide helps youth gain the skills needed to examine local practices that affect water quality, work with experts, and organize their own service projects to meet real needs. Susan and Rich Cairn wrote "Give Water a Hand" for the National 4-H Council in collaboration with twenty leading national water resource organizations. Targets grades 4-8. Includes Leader Guide. Download guides from the World Wide Web: <http://www.uwex.edu/erc/> or call (800) WATER20.
